

## College Profile

<b>Name of University</b>	:	Acharya Narendra Deva University of Agriculture and Technology, Kumarganj, Ayodhya U.P.
<b>Name of Vice-Chancellor</b>	:	Hon'ble Dr. Bijendra Singh
<b>Name of Registrar</b>	:	Dr. P. S. Pramanik
<b>Dean of Student Welfare</b>	:	Dr. D. K. Dwivedi
<b>Name of College</b>	:	Mahamaya College of Agricultural Engineering and Technology, Ambedkar Nagar, U.P. - 224122
<b>Location of the College</b>	:	55 km from Ayodhya, On Ayodhya Akbarpur road, Near Shiv Baba, before 5 Km from Akbarpur
<b>Associate Dean</b>	:	Er. R. J. Singh
<b>ADSW</b>	:	Dr. V. K. Singh
<b>Technical Coordinator</b>	:	Dr. P. K. Mishra
<b>Hostel Warden</b>	:	Dr. P. K. Mishra
<b>Assistant Hostel Warden cum</b>	:	Dr. Vikas Kumar Singh Dr. Manish Kumar
<b>In-charge Training and Placement Cell</b>	:	Dr. Paul Arjun Sanjay
<b>Scholarship In-Charge</b>	:	Dr. Shivam
<b>Security Officer/ Estate In-Charge</b>	:	Dr. Vipul Chaudhary

## **About the College**

Mahamaya College of Agricultural Engineering and Technology, Ambedkar Nagar is one of the leading colleges in the area of farm machinery, farm power and renewable energy. Narendra Deva University of Agriculture and Technology, Ayodhya is a statutory organization which is looking after the solution of problem related to agricultural field and up-liftment of agricultural productivity. Mahamaya College of Agricultural Engineering and Technology, Ambedkar Nagar in Narendra Deva University of Agriculture and Technology, Ayodhya is looking after the engineering aspect of agriculture i.e. mechanization of field operation of crops from sowing till harvesting, irrigation, soil water conservation, post harvest technologies and food processing. College have experience of various schemes of All India Coordinated research projects and Research and development in agriculture mechanization at state level. College also has fully equipped laboratories for teaching students and carrying out research. College has faculty having diverse experience in development of agricultural engineering.

## **Departments**

1. Soil and Water Conservation Engineering
2. Farm Machinery and Power Engineering
3. Irrigation and Drainage Engineering
4. Processing and Food Engineering
5. Renewable Energy Engineering
6. Basic Engineering and Applied Sciences

## **Undergraduate Programmes**

1. B. Tech (Agricultural Engineering)
2. B. Tech (Mechanical Engineering)
3. B. Tech (Computer Science & Engineering)

## **Postgraduate Programmes**

1. M. Tech Agriculture Engineering (Soil and water Conservation Engineering)
2. M. Tech Agriculture Engineering (Farm Machinery and Power Engineering)
3. M. Tech Agriculture Engineering (Processing and Food Engineering)
4. M. Tech Agriculture Engineering (Irrigation and Drainage Engineering)
5. M. Tech Agriculture Engineering (Renewable Energy Engineering)

## **PhD Programmes**

1. Ph.D Agriculture Engineering (Soil and water Conservation Engineering)
2. Ph.D Agriculture Engineering (Farm Machinery and Power Engineering)
3. Ph.D Agriculture Engineering (Processing and Food Engineering)
4. Ph.D Agriculture Engineering (Irrigation and Drainage Engineering)

Glimpses of Mahamaya College of Agricultural Engineering and Technology,  
Ambedkar Nagar,

## Farm Equipment Laboratories

## Tractor & Power Laboratories

## Soil and water Conservation Laboratories

## Irrigation and Drainage Laboratories

## Processing and Food Engineering Laboratories

## Renewable Energy Engineering Laboratories

# Basic Engineering and Applied Science Laboratories

Mechanical Engineering Lab

Chemistry Lab

Electrical Engineering Lab

Civil Engineering Lab

Physics Lab

Computer Lab

## View of Practical and Hands-on-Training

## Learning resources

**Central Library:** A Central library is located at Main Campus, ANDUAT, Kumarganj.
